Re: new All Time DX lists - version 2012

Posted by: "mweditor" mweditor@mwcircle.org mweditor

Date: Mon Mar 4, 2013 12:23 pm ((PST))

This is a code I set up when I restarted the All Time Lists in a spreadsheet format.

+ a few (1-2) reports by DXers operating "at home"

++ several reports by DXers operating "at home"

+++ many reports by DXers operating "at home"

+++ (bold) are/were heard widely throughout the year.

§ only heard on DX-pedition to Sheigra, Scotland

A only heard on DX-pedition to Anglesey, Wales

Sh only heard on DX-pedition to the Shetland Islands

x2 only heard on 2nd harmonic frequency

> indicates when a station started operation

< indicates when a station ceased operation
